

The Indiana School Safety Specialist Academy presents:

“Choose Love”

Presented by:

Scarlett Lewis

In this training session, Scarlett Lewis, founder and Chief Movement Officer of the Jesse Lewis Choose Love Movement, will review the Choose Love Formula and explain the benefits of Character and social and emotional development and how you can create a culture of choosing love in and out of the classroom. Creating a consistent message with the 4 character values (Courage, Gratitude, Forgiveness, and Compassion-in-action), you will learn how to transform your classroom, school and community into one of love, creativity, and fun!

Scarlett Lewis founded the Jesse Lewis Choose Love Movement, a nonprofit organization, after her son was murdered during the Sandy Hook Elementary School tragedy in December 2012. Scarlett decided to be part of the solution to the issues in society—and that also caused the tragedy. She travels across the United States and internationally to promote the Choose Love for Schools Program, a no cost, comprehensive character development and social and emotional learning program empowering educators and students to choose love. Choose Love has been extended into homes and communities and the family of Choose Love programs have been downloaded in all 50 states and in nearly 100 countries.
